Freedom of Information Policy

Introduction

Under the Freedom of Information Act 2000 (FOIA), Malpas Parish Council ('the Council') has a duty to adopt and maintain a Publication Scheme describing:

- The classes of information it publishes
- How and where such information is published (e.g. website, paper copy, etc.)
- Whether or not a charge is made for such information

The purpose of the Council's Publication Scheme is to let everyone know what information will be automatically or routinely published by the Council and to ensure that a significant amount of information is available to the public, without the need for a specific request to be made.

Other information is of course available from the Council by individual request, under the FOIA, Data Protection Act 1998 (DPA) and the General Data Protection Regulations 2018

If there is any information required that does not appear in the Council's Publication Scheme or you have any comments or suggestions on how it can be improved, please contact the Clerk to Malpas Parish Council using the details found at the top of this document.

Obtaining Information

Much of the information listed in the Council's Publication Scheme is supplied free of charge. The Council's publication scheme can be found at: <https://www.malpascheshire.org/lib/image-councilimages-publication-scheme-F799788.pdf> or by emailing the Clerk on malpaspc@hotmail.com

Where information is available only in paper format, this is stated in the Publication Scheme and can be viewed by appointment with the Council's Clerk or a copy can be requested.

Information not contained within the Publication Scheme and Exemptions

The FOIA created a general right of access to information, it also set out information that the Council does not have to make available for specific reasons, called exemptions.

This is information that, if published, might prejudice the health, safety or security of the Council, its staff, systems, services or property or breached an individual's Data Protection rights.

If information is requested but is covered by an exemption, the Clerk to the Council will tell the applicant in writing why the Council has refused the request and quote the relevant exemptions.

If the information requested is not disclosed, the applicant can ask the Information Commissioner to review the Council's decision.

The Information Commissioner's Office is the Government department that oversees and enforces FOI. They can be contacted by the following ways:
