Items requested: (to be included when this is returned.)

To establish a positive identification in line with our security measures, could you please provide a copy of a photo ID of yourself? E.g. Passport, Driving Licence, and a copy of a domestic utility bill with your name and address on it.

Items Required:

You will require a small notebook and pen, a Mobile Telephone, Face mask and gloves.

*** Use of a Motor Vehicle.**

Most motor vehicle Insurance policies allow the transportation of people or small amounts of goods providing it is not a full time occupation, not connected with a business, and is done on a voluntary basis.

At present it is **not expected** that the Community Links initiative will call on volunteers to transport other residents for shopping or other appointments.

However, it is important to check with your own Vehicle Insurance Company that your policy will cover any voluntary use of your vehicle in furtherance of delivering food, or prescriptions to local residents.
